All MGH employees, following the same guidelines as for wearing masks, will be asked to complete a screening form every day confirming that they do not have symptoms of COVI-19.

You must know your Partners’ username and password to sign into the screening form. If you do not know your Partners’ username or do not have an active password contact your manager before arriving to work.

You will show your “cleared to work” message to security along with your MGH ID at the hospital entrance when you arrive at work. You do not have to wait until you get to work to fill out the screening form, you can complete it before you get to work.

If your MGH ID badge is visible and you have a valid “cleared to work” message you will be eligible to go through the Fast Pass line. Staff will be available to help those who need assistance.
There are three ways to complete the form:

1. Use the Partners Covid-19 Day Pass app

2. Scan the QR code with your phone

3. Use this link [www.partners.org/covidpass](http://www.partners.org/covidpass)

Log on with your username and password

This webpage is for Partners HealthCare employees only.

During the COVID-19 crisis, all Partners HealthCare employees (including home care clinicians) who work at a facility providing clinical care must attest to their wellness every day before entering their building. Please attest to your wellness no earlier than two hours before your shift starts and then follow instructions.

Please use your Partners HealthCare credentials to log in

You will see these questions about Covid symptom

Are You Experiencing Any of the Following Symptoms
* must provide value

- Fever or feeling feverish
- Sore throat
- New cough
- New nasal congestion or new runny nose
- Muscle aches
- New loss of smell
- Shortness of breath
- No Symptoms

Answer the questions and hit Submit
If you have no symptoms you will immediately get a message that you are “cleared for work”

إذا لم يكن لديك أعراض، فستتلقى على الفور رسالة مفادها أنك "حصلت على تصريح للعمل"

Show this to the staff distributing masks at the hospital entrance, pick up your mask and report to work.

أظهر هذا إلى الموظفين الذين يوزعون الكمامة عند مدخل المستشفى، والتقط الكمامة الخاص بك و إبدأ في العمل.
